

Empower your employees to become better benefits consumers with an easy online information resource

▶ There's no shortage of health, financial and benefits websites on the Internet. But how will your employees know which ones to use to make the best decisions? As a member of United Benefit Advisors®, our firm can offer you exclusive access to the Employee Resource CenterSM (ERC), a vast online library of links to credible, high-quality health and financial websites. The ERC can help your employees and their families find accurate information about the major issues in their lives, helping them be more proactive in making health and financial decisions. This one-stop information hub eliminates the hassle of general Internet searches and provides resources quickly in a simple format.
